Dear Amy,

We would like to invite you to our school for breakfast. Please join us on:

November 10th, 2011 from 9:00-10:00 am in the library

Location:

Leon Springs Elementary School
23881 Highway 10 West
San Antonio, Texas 78257

We are working with FranklinCovey and are in the beginning stages of implementing The Leader In Me process on our campus. For many years, FranklinCovey has been helping schools apply leadership principles. *The Leader in Me* documents the success of schools, parents, and business leaders around the world who are preparing the next generation to meet the great challenges and opportunities of the 21st century. The Leader in Me process is a powerful way to:

- Equip Students with the skills and confidence to succeed as leaders in the 21st century.
- Improve academic achievement.
- Decrease discipline referrals.
- Teach and develop character and leadership through existing core curriculum.
- Increase accountability, motivation, and engagement among both parents and staff.

It is our hope that our school will serve as a model in San Antonio for student leadership and community service. We would love to partner with businesses and local community organizations as we begin the process. We hope that you will be able to join us for breakfast to hear more about the program and how you might be able to partner with our campus.

Please call or email Jenny Dreher to RSVP

We hope to see you on November 10th at 9:00 am.

Sincerely,

Kathy Dodge-Clay
Principal
